

Årsstatistik for Grønland 2023

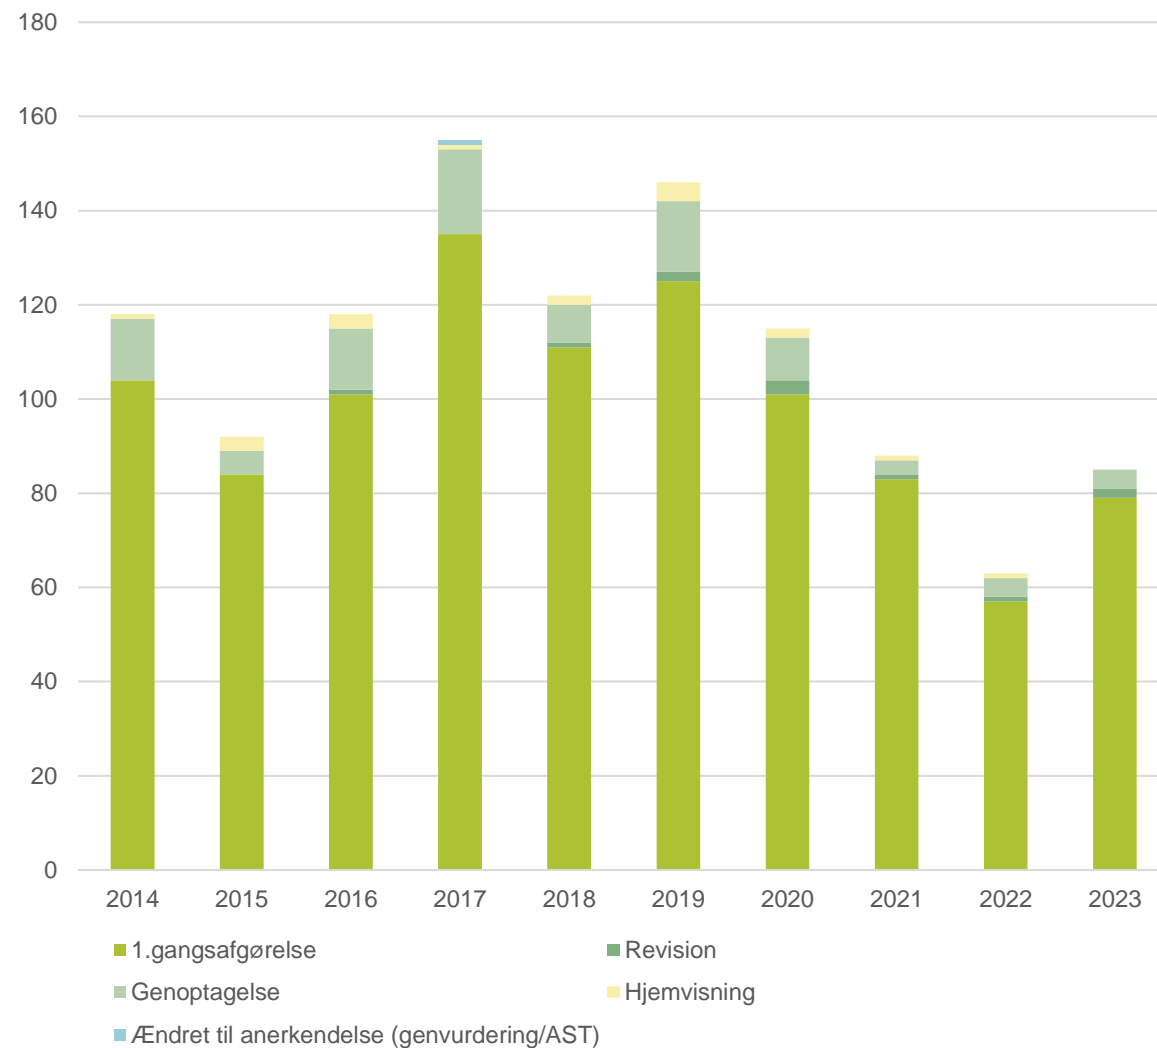

A serene winter landscape featuring a large, frozen body of water in the foreground. The ice is a pale, textured blue-grey. To the right, a dense stand of tall, dry, golden-brown reeds grows along the shore. In the middle ground, a wooden pier or dock extends into the water. The background is dominated by a thick forest of trees, their branches heavily laden with snow, creating a soft, white glow. The sky is a uniform, overcast grey, contributing to the quiet and cold atmosphere of the scene.
